About TAITRA

Founded in 1970 to help promote foreign trade, the Taiwan External Trade Development Council (TAITRA) is the foremost non-profit trade promotion organization in Taiwan. Jointly sponsored by the government, industry associations, and several commercial organizations, TAITRA assists Taiwan businesses and manufacturers with reinforcing their international competitiveness and in coping with the challenges they face in foreign markets.

Since its establishment, TAITRA has developed a well-coordinated trade promotion and information network composed of over 1,200 trained specialists stationed at its headquarters in Taipei, in four local branch offices in Hsinchu, Taichung, Tainan, and Kaohsiung, as well as in over 60 representative offices around the world.

In association with its sister organizations, the Taiwan Trade Center, Inc. (TTC) and the Taipei World Trade Center (TWTC), TAITRA continues to do everything possible to adapt its trade promotion strategies to the changing international trends and conditions. TAITRA's major functions include Market Development, Strategic Marketing, Trade Information Services, Exhibitions, Convention Services, Trade Education, and TaiwanTrade (an e-Trading Hub service).

Tremendous business opportunities can be found in Taiwan's dynamic economy. Taiwan's strategic location, infrastructure and capital make the island an ideal springboard for business operations throughout Asia and the Pacific Rim. TAITRA, together with its experienced trade specialists, all stand ready to help you do business with Taiwan.

Blind Rivets, Blind Rivet Nuts, Air Riveter, Hand Riveter

Company Profile

Realize the cost savings that come from dealing with one of Asia's largest suppliers of rivets. With two ISO 9001 certified facilities in mainland China, we can manufacture 6 billion blind rivets that meet DIN 7337, IFI and ISO standards annually – production power that most competitors simply can't match. We also produce up to 2 million high-quality riveters annually, leaving no doubt that we can cover your largest, most demanding orders.

To ensure precision in your rivets, we utilize manufacturing equipment from Taiwan, Italy and Germany. We have also invested \$100,000 in testing equipment so that our QC engineers can guarantee consistency. Plus, our QMS processes are ISO 9001 certified. Established in 1983, we use our experience to accurately produce your OEM/ODM designs. And our automated storage and retrieval systems – with 50,000 storage bins – ensure fast turnaround on your orders. For more details, visit our website today.
